

UPPERLIMB.COM

CUNNINGHAM CLASSIC

INCORPORATING THE 2023 QUEENSLAND
STATE ROAD CHAMPIONSHIPS (GRADED)

9 September 2023

RACE PROGRAM

KANGAROO POINT
CYCLING CLUB

Proudly sponsored by:

KANGAROO POINT CYCLING CLUB

upperlimb.com Cunningham Classic Presented by the Kangaroo point Cycling Club

On behalf of the Kangaroo Point Cycling Club, we welcome all competitors and supporters to the upperlimb.com Cunningham Classic 2023 incorporating the State Road Championships (graded). We are most grateful to AusCycling Queensland for assisting us this year.

This year marks the 41st running of the Cunningham Classic, a two-time winner of the Cycling Queensland Event of the Year.

We welcome the return of our naming rights sponsor upperlimb.com - **The Brisbane Hand & Upper Limb Clinic** We acknowledge the long-term support as presenting partner which allows the Kangaroo Point Cycling Club to continue to present this challenging race, true to its roots as a tough one-day road race classic.

Focus Optometrists – suppliers of Rudy Project prescription cycling eyewear and provider of a \$150 discount voucher to registered riders (see your rider pack) is sponsoring the Queen/King of the Mountain classification.

The Kangaroo Point Cycling Club has been working hard over the past year to make this race the best it can be – challenging, competitive, safe, and fair.

We ask you to remember the upperlimb.com Cunningham Classic is run on open roads which are generally sealed, but fallen rocks, rough edges, potholes and a variable surface should be expected.

Before racing, join us at the start village for a hot drink from KIKIS KAFE van, to check information on the race course from officials, or simply to chill out and enjoy the pre-race excitement.

After you have raced, please join your fellow competitors and supporters at our finish village on Victoria Street in Warwick to congratulate riders crossing the finish line, support the presentations and enjoy a BBQ lunch.

We believe the upperlimb.com Cunningham Classic is the toughest and most prestigious one-day point-to-point road race classic in Queensland and we thank you for your continued support. We trust you will have a safe and enjoyable day and look forward to seeing you at the official race presentation at the finish village on Victoria Street, Warwick.

Betty Bathersby
Race Director

Brett St Pierre
Club Vice President

KANGAROO POINT CYCLING CLUB

Start village (Denis Minson Drive, Gatton)

7:45am – Registration opens

8:50am – All spectator vehicles must depart from Gatton and move to the KOM/QOM line, the drinks station at Pilton Soldiers Memorial Hall, or the finish village in Warwick.

Rider support vehicles are not permitted to follow the race

Start times

9:00am	Men's Elite A Grade depart	9:50am	Men's Elite C Grade depart
9:10am	Men's Masters A depart	10:00am	Men's Masters C depart
9:20am	Men's Elite B Grade depart	10:10am	Men's Masters D depart
9:30am	Men's Masters B depart	10:20am	Women's Division 2 depart
9:40am	Women's Division 1 depart		

Drinks Station – Pilton Soldier's Memorial Hall

Please request your handlers to park well off the road and to give drinks only from the lefthand side.

Finish Village – Victoria Street, Warwick

Vehicles are not permitted to park on the finish straight, in either direction.

11:00am – Finish Village opens

A BBQ lunch, refreshments and toilets will be available at the finish village.

11:15am – First racers scheduled to finish

2:30pm – All riders expected to have finished. Finish village to close

Presentations (Finish Village – Victoria Street, Warwick)

Presentations will be held for each grade at the finish village located alongside the finish straight as soon as results are known for each race.

KANGAROO POINT CYCLING CLUB

Race briefing

Officials

Chief Commissaire Tony Torr.

Race numbers

Each rider will receive two race numbers. One is to be pinned on the jersey pocket in the **centre lower back**, and the other to the **left side at the lower rib cage**. Pins will be provided to attach numbers.

Electronic timing

Each rider will be issued with a transponder at registration used to determine your time in the race. A full list of times will be posted on the race website as soon as possible, following the completion of the race.

Riders are required to return the transponder at the finish village immediately following their grade's completion. A significant fee will be charged to riders who do not return their timing chip on race day. Please bring your own zip tie remover.

Please note race results are determined by the race Commissaires, and not from the electronic timing system.

Classifications

A King/Queen of the Mountains trophy will be awarded to the first rider in their grade to cross the top of the KOM/QOM point (around 40.5km from the start).

Placegetters will receive medals and the QCRS winners will be awarded their prizes once final results are collated.

Women's racing

All women will race in either Division 1 or Division 2 but will compete in separate grades (Women's A & B or Women's C & D).

Under 19 racing

Under 19 riders have been allocated to their respective Elite Men/Women's grades and will compete within that grade. There are no separate results or prizes for U19 riders.

Spare wheels and warmup clothing

Riders are permitted to have their spare wheels carried by the official spares vehicles only. Rider's wheels must be clearly labelled with their name and race division. Spare wheels are to be left at the signed areas near the spares vehicles along Dennis Minson Drive at the start village.

No spares in, no spares out. There will be no neutral wheels.

KANGAROO POINT CYCLING CLUB

As all rider support vehicles must depart Gatton by 8:50am, riders are encouraged to wear suitable warmup clothing, and leave it (and any other belongings) with their race divisions spares vehicle for transportation to Warwick.

Spare wheels and warm- up clothing (and any other belongings from the spares vehicle) will be available for collection at the finish village in Warwick. Please collect your items as soon as possible after the race to allow volunteers to move to other duties.

Electronic communications

No electronic communication devices (i.e. Race radio or mobile phones) are allowed in individual Events in Queensland, including this race. THIS IS NOT A TEAM EVENT.

Drinks station and litter zone – Pilton Hall

Competitors in all race divisions can take on drinks at the designated drinks station at Pilton Soldiers Memorial Hall, approximately 48.5km from the start and 7.5km after the KoM/QoM point.

There will be a Litter Zone 200m before the Drinks Zone and 200m immediately after the Drinks Zone.

Feeders are permitted to collect discarded water bottles. Any water bottles left at the end of the race will be disposed of.

Live race results and claiming places

Riders are requested to claim their places at the finish line following each race.

Race results and times will be posted to the AusCycling Live Results webpage as soon as they become available, including the KOM/QOM.

Safety

Riders must follow all Queensland road rules during the race

This includes no crossing of the centre line of the road at any time. Any riders who fall behind the lead group are to travel as a "road user" and must obey all road rules. Failure to follow Queensland Road Rules will result in a fine from race officials and/or the police. Riders may also be disqualified and/ or face additional AusCycling Queensland sanctions.

Road repairs following the floods continue to be carried out by the various Councils, however there are a few potholes and rough but sealed surfaces along the route as well as road edge drop offs so please watch out for these areas and warn those following.

Please note the following Important points

In the interests of safety for both riders and motorists, and to comply with the Department of Transport and Main Roads and Police Permits:

KANGAROO POINT CYCLING CLUB

All vehicles must leave the start village before 8:50am

This is to allow your supporters time to move along the course and park to watch the riders pass either at the KOM/QOM point, the drinks station at Pilton Hall or in the finish village at Warwick.

Competitors are encouraged to leave warm-up clothing etc. With their race groups' official spares vehicle in the plastic bags provided, and collect them at the finish village.

Rider support vehicles are not permitted to follow the race

In previous years, the Police have stopped race divisions to allow numerous vehicles following the race to pass. Most of these were rider's support vehicles. Riders, please instruct the drivers of your support vehicles that they MUST leave Gatton by 8:50 and proceed either to the KOM/QOM point, the drinks station at Pilton Hall or to the finish village at Victoria Street, Warwick.

Points 21 & 22 below are taken straight from the Police permit.

21. Should more than four (4) vehicles be adversely delayed behind the event, participants and event support vehicle/s are to move to the left of the roadway, pausing if necessary, until the traffic has cleared.

22. The event is to be temporarily suspended by the applicant, participant/s or police if undue traffic delays are experienced along the route. The suspension is to be for as long as it takes to clear the traffic buildup

Please note that only official race vehicles are permitted on the Saal Road - Tudor Valley Road loop as the roads are very narrow

Drivers of vehicles following the race may be fined by the police and their rider will be disqualified

The conditions allowing the necessary permits for this event require that non- race traffic is able to approach and pass the convoys safely, which is made difficult if rider support vehicles are caught queuing behind the race.

No vehicles are permitted to park on the Victoria street finish straight in either direction

Victoria Street will be intermittently closed to traffic as each group finishes. This area will be controlled by traffic control and race officials whose directions must be followed.

Thank you in advance for your co- operation in assisting with the duty of care to maintain the safety of yourselves, as well as other riders and road users to ensure the future viability of this historic race.

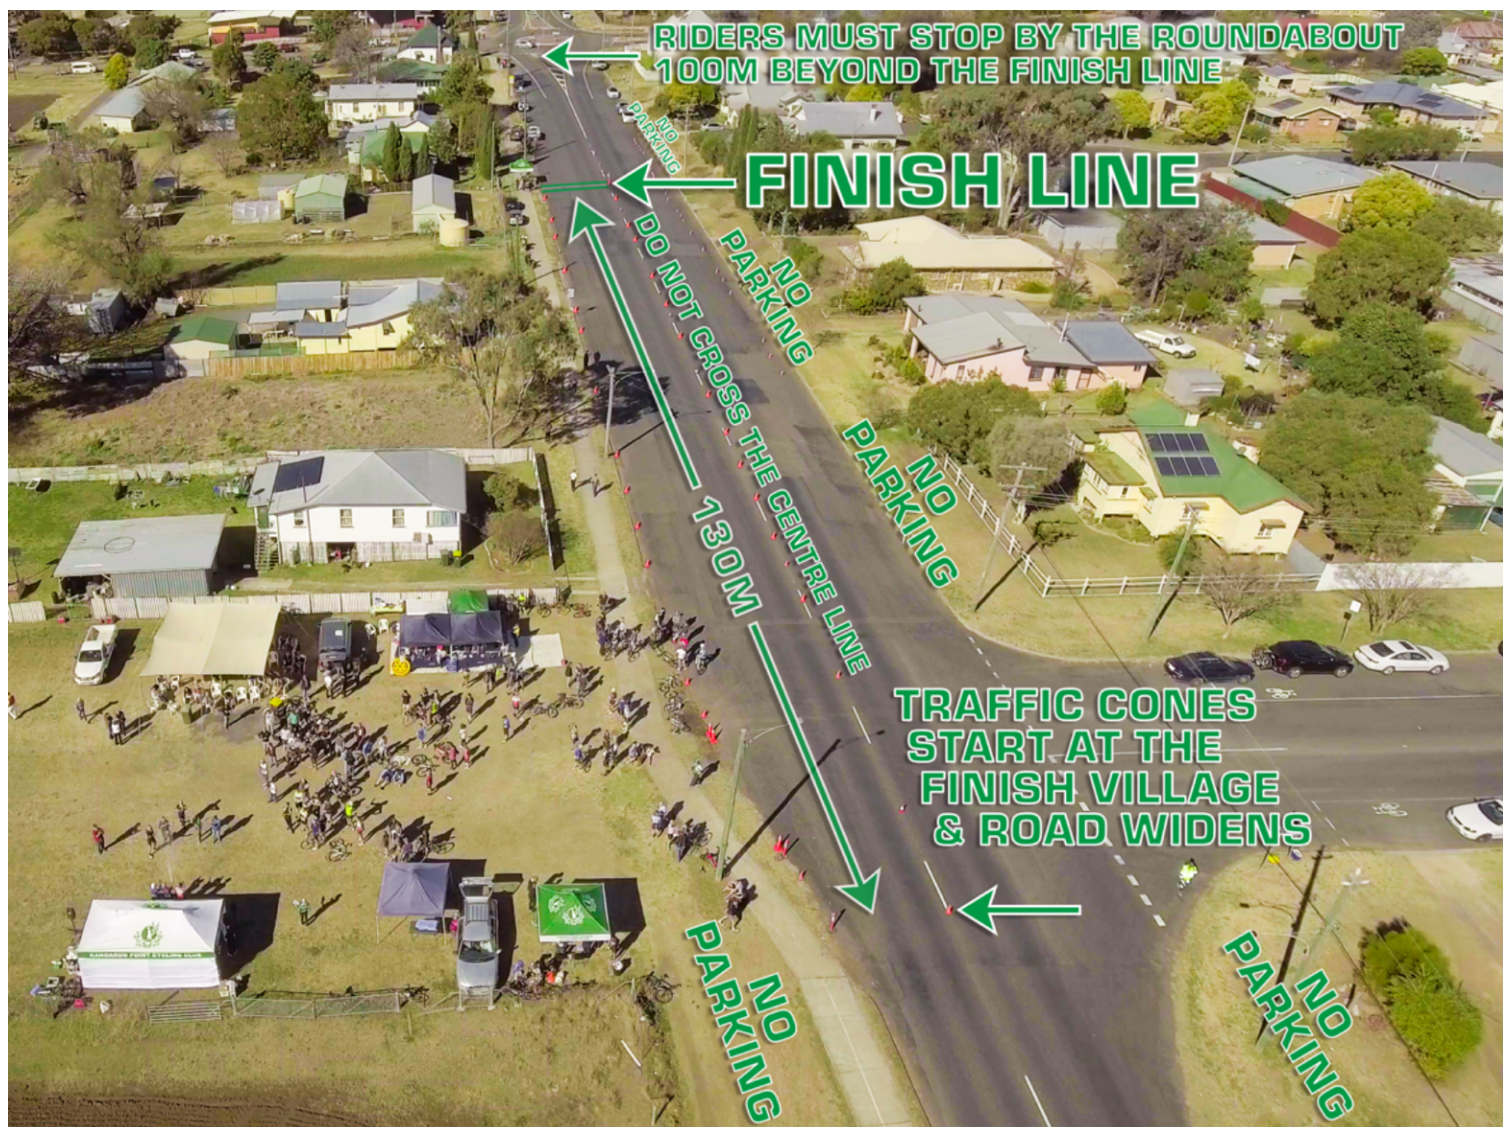

KANGAROO POINT CYCLING CLUB

Finish line

In the heat of the race, riders are often confused as to the actual position of the finish line. They see the orange traffic cones lining the road starting at the finish village and start sprinting for this point.

For safety reasons, the finish line in Warwick is not in-line with the finish village but is placed 130m further along. The road is too narrow leading up to the finish village but widens out after this point allowing for a safer sprint.

Riders should also note that there is an intersection 100m beyond the finish line. All riders must stop before the roundabout and check for traffic before riding back on the opposite side of the road (not on the footpath).

Information is a guide only

Whilst all care has been taken in the production of this program, we advise that the information is subject to change without notice. Course information including maps and profile are provided for your convenience. All measurements are approximate.

KANGAROO POINT CYCLING CLUB

Thank you

The upperlimb.com Cunningham Classic is one of the most technically complex and resource heavy races on the Cycling Queensland calendar, requiring over 2,000 Volunteer hours each year to deliver.

In addition to a range of organisations that are paid to provide services, the Club relies heavily on an army of Volunteers to deliver the race.

In 2023 we are expecting that more than 50 vehicles will form part of the race convoy that will be staffed by many volunteers.

Please take a minute to thank our Volunteers as you move through the start and finish villages. Without them, this race would not be taking to the road.

The Kangaroo Point Cycling Club also wishes to acknowledge and thank the following for their assistance in delivering the upperlimb.com Cunningham Classic and for their efforts to maintain the safety of all riders:

- Commissaires
- AusCycling Queensland
- Queensland Police Service
- Department of Transport & Main Roads
- Lockyer Valley, Toowoomba and Southern Downs Regional Councils
- Nexus Traffic Australia
- Sports 1st Aid Services
- Tim Class Auliffe
- KIKIS KAFE Van
- Rotary Club of Warwick Sunrise
- Douglas Walker's Antique and Classic Bicycle Collection, Warwick

And any others who have assisted in any way, we thank you.
